

Dear Law Enforcement Professional,

You are cordially invited to attend the 2016 Empire State Law Enforcement Traffic Safety Conference, April 21 - 22, 2016 in Rochester, New York. Here, police officers of all ranks will share ideas and experiences aimed at improving traffic safety in their communities. The average person continues to be at greater risk of being a victim in a traffic crash than from a crime and traffic enforcement programs are an effective means of reducing both.

This is a Law Enforcement only conference, where the topics discussed are not only relevant to you as a police officer, but where your thoughts are respected and likely shared by others. The ESLETS Conference is intended not only to inform, but to empower and build a cooperative spirit across all agencies to better serve the communities we are sworn to protect.

We hope you will join us.
