

**DECEMBER 5-9, 2016**

# CAMPUS SEXUAL ASSAULT SEMINAR

*Successful investigation begins with the initial response by professionals. With knowledge, experience and compassion for victims, research shows that professionals are more likely to properly investigate crimes of sexual nature by responding to the needs of the survivor and recognizing evidence of the crimes.*

**Please register by **November 30, 2016**. To register for this free seminar, click on the link below. Seating may be limited, register now.**
